## **Emerald Princess Casino Continues to Give Back**

Brunswick, May 10 -- The Boys & Girls Clubs of Southeast Georgia and the Emerald Princess Casino II are working together on their 7th Annual fundraising event, the TEXAS HOLDEM TOURNAMENT. The tournament is scheduled for Saturday, May 15th at the Emerald Princess II and would not be possible without the support of Louis Dyer, CEO and owner of the Emerald Princess Casino II.

“With the help of community leaders, strong volunteers and valued donors, our clubs serve over 3500 youth annually. We would not be able to provide quality programming and services if it were not for community leaders like Louis Dyer. He and his staff with the Emerald Princess Casino II do so much for our kids and we can not thank them enough for their support,” explains Brian Dolan, Chief Professional Officer Boys & Girls Clubs of SE GA.

Since 1995 the Emerald Princess Casino has grown and flourished in the Golden Isles and now employs over 75 people. The organization not only employs workers in the area, but they are an active participants in the health and economic growth of our region. Louis Dyer and the Emerald Princess Casino II recognizes the importance of the Boys & Girls Clubs have on a community and are committed to success of their mission. The Emerald Princess II gets involved with fundraising events, much needed supplies, holiday gift drives and volunteers for numerous projects.

“I enjoy working with individuals that are just as passionate about our kids as Louis is. He recognizes the importance and the need of The Club for their development and the overall health of the community. Without the compassion and generosity of the Emerald Princess II it would be very difficult for us to provide services for this many children. He is just one individual, but he is making a large impact and positively affecting the lives of thousands of youth,” Brian Dolan.
